You will need to be able to provide the following information:

- Name
- Social Security Number
- Date of Birth
- Phone Number
- Driver’s license number & Expiration Date

Once all this information has been provided; it will take about 30 minutes to create your signature card.

The New Account Representative will give you a call back to schedule a time for you to come to the bank to sign your documents. Bring your driver’s license with you so we can identify you.

The signing will be done through our drive-up window.
